

#### Language Course Sequence

##### IMPORTANT NOTES

- Not every language course is offered each quarter. Japanese language courses are offered in sequence: A (Fall), B (Winter), and C (Spring), with no summer courses.
- To fulfill a 4-quarter language requirement, you **must** complete JAPN 20A.
- A placement interview is **NOT** the same as a proficiency test.
  - a. Placement Interview = An instructor determines which level course you may enroll in.
  - b. Proficiency Test = An instructor determines your language proficiency. If you have language proficiency equivalent to a 20A level course, it means you must complete 20A to satisfy the four-quarter language requirement.
- \*You must complete your placement interview or proficiency test **BEFORE** enrolling in classes\*
- If you plan to petition Study Abroad courses for your language requirement, please submit all course materials and your petition as soon as your Study Abroad credits have transferred.

Below you can find the tentative course offerings for the academic year, as well as a sample plan for use as a guide.
